

APRIL 2025

Spring is in the Air!

April brings unpredictable weather. It's a great time to look through your child's extra clothes and make sure they are weather appropriate.

We will continue to do our best to go outside each day. This could mean that warm coats, hats and mittens may be needed one day and spring jackets and sunglasses the next. Help us be prepared for it all!

Preparing & Bringing Food from Home

Please review [Parent Info: Preparing Food From Home](#) for some information on preparing your child's food items that are brought from home.

There are some circumstances where children bring food from home. Any food from home should require minimal teacher assistance and adhere to the following:

- Pre-made, ready-to-eat, nut-free and allergy aware
- Prepare or cut up food to the appropriate shape, size and texture for your child's development
- Stored in a food storage container (lunch box) labeled with first/last name and date (can include an ice pack if needed)
- Require minimal assistance for reheating

Batman, Superman, Wonder Woman, Iron Man and Spiderman are just some of the fictional superheroes we love. Our real-life superheroes including TEACHERS, military personnel, police officers, firefighters, and many others, are also heroes who protect us on a daily basis. All these superheroes are great role models for our children and we would like to celebrate them on this day!

Teacher Appreciation Week

This year's Teacher Appreciation Week is May 5th-9th. We LOVE all the hard work our teachers do and we know you do too! We will be celebrating all of our teachers this week.
