Teacher Appreciation Week

Teacher Appreciation Week is May 4th-8th!

We appreciate all the hard work our teachers do and we know you do too! A Sign Up Genius was sent to parents via email in April to help us celebrate our AMAZING teachers throughout the week! We will be sharing photos of our teachers on our IXL social media pages, enjoying their surprises!

Child Paperwork Updates

We kindly ask that all families ensure their child's paperwork is updated as changes occur. This includes your child's placement contract, emergency contact, authorized pick up persons and health appraisals (signed by your child's physician).

There are certain permissions that Michigan state licensing requires to be updated annually. We have sent the link to these permissions via Tadpoles. If you haven't completed these permissions yet or would like to review/make changes to your child's paperwork on file, please stop by the office. Keeping your child's file current helps us provide the safest and most supportive environment possible.

Gearing Up for Summer Camp

IXL's 2026 Summer Camp is right around the corner. Children, 4 years and up, will participate in this program. Please be on the lookout for an email containing our Summer Camp Program Guide. This will include detailed summer camp information and links to permissions and field trip waivers.

The due date for ALL summer permissions and field trip waivers is Friday, May 15th.

Label, Label, Label!

Please remember that it is important to label all of your child's belongings. This includes all sippy cups, baby bottles, water bottles, clothing, bedding, etc. Please label each item with your child's first and last name. We always do our best to keep each child's belongings separate, however, things can get mixed up on occasion. Labeling all of your child's items each day is very helpful in reducing this. Please see the office if you have any questions.

Shoe Free Zones

Reminder that all of our infant classrooms are "Shoe Free Zones." When dropping off or picking up your little one, please remove your shoes to enter the shoe-free area in the classroom.

It's Sunscreen Time!

Now that the sun is shining, it's time to think about sunscreen! IXL highly recommends that children regularly use sunscreen during outdoor play in order to prevent sunburns. Please bring in a new bottle for each of your children - don't forget to check the expiration date and label it with your child's name! Also, if there are any special circumstances or instructions to apply your child's sunscreen, please make your child's teachers aware. IXL will apply sunscreen for AM and PM outdoor time.

Warmer Weather can also Bring Bugs

As the weather begins to get nicer, the bugs can sometimes be bothersome in our outdoor play areas. If you are interested in having your child wear bug spray throughout the spring/summer season, please bring in a LABELED bottle of bug spray. IXL will only apply bug spray to children with permission and who bring their own supply. Please check with the office to see if you signed off on this for your child.
